Your Equine Insurance Policy Terms and Conditions

How your premium can change

Your premium is likely to increase at each policy renewal. The biggest influence on **your** renewal premium is increased veterinary costs as well as advancements in veterinary medicine. Other factors which may impact **your** premium at renewal include **your horse's** claims history, age and breed. Changing **your horse's** cover, **class of use**, **sum insured** and/or **your** address could also impact **your** premium.

Renewing your policy

Your policy is in force for 12 months providing **you** continue to pay **your** premium. Every 12 months **you** need to renew this insurance contract to continue with **your** cover. **We'll** contact **you** before **your** renewal date with full details of **your** premium, excesses, policy coverage and Terms and Conditions for the next **policy year**.

If **you** pay by Direct Debit instalment, when **your** policy is due for renewal **we'll** automatically renew it for **you**. If **you** don't want to renew **you** need to let **us** know before **your** renewal date. If **you** pay by any other means, **you** need to contact **us** to confirm **you** want to renew **your** policy and arrange to pay **your** premium. **You** can do this by calling **us** on 0345 070 1063.

At the renewal of **your** policy **we** can change the following. **We'll** always tell **you** before **your** renewal date of any changes so **you** can consider if **your** policy still meets **your** needs.

- The premium **you** pay,
- The excesses **you** pay,
- The Terms and Conditions of **your** policy, and/or
- The cover **we'll** provide.

We can also place exclusions because of **your horse's** claims and **veterinary history**. It's important to read '*Extra exclusions that can apply to the cover for your horse*' on page 7 which explains this in more detail.

At renewal, **we** can limit or remove Personal liability and Personal accident cover based on a review of **your horse's** behaviour and the answers to **our** questions. For example (but not limited to), any aggressive tendencies shown, any incidents where **your horse** has caused injury to a person/animal or any health conditions which result in **your horse** being dangerous to **ride** and/or handle.

We can also ask for a letter from **your** doctor to confirm **you're** safe to **ride** and/or handle **your horse** for the activities listed on **your** Certificate of Insurance. If **we** ask for this, **we** won't be able to cover **you** for '*Personal liability*' and/or '*Personal accident*' while **you're** **riding** or handling **your horse** until **we** receive this. For more details please read '*When we may require a medical examination*' in the Personal liability section on page 21 and Personal accident section on page 24.

When **your** policy is due for renewal, **we** have the right not to offer the renewal. If this happens **we'll** give **you** 21 days' notice in writing to the address on **your** Certificate of Insurance.

Where we'll provide cover – the geographical limits

All sections of **your** policy cover **your horse** or **your** insured items in the **UK** only.

Your horse's class of use

You need to make sure your insurance covers all of the activities your horse takes part in. Don't leave this until **you're** considering a new activity, check regularly to make sure **you've** always got the cover **you** need. The activities **your horse's** covered for are shown on **your** Certificate of Insurance.

This is important as **your** policy doesn't cover anything which:

- Happens when **your horse's** being used for an activity that isn't covered by **your** policy,

- Is in any way related to **your horse** carrying out an activity that isn't listed as covered by **your** policy. For example (but not limited to), **your horse** carried out an activity which isn't listed as covered on **your** Certificate of Insurance and is found to be lame the following morning. **We** won't consider any costs for **your horse's** lameness if **we** believe it's related to **your horse** carrying out the activity which isn't covered.
- Happens during the transportation or warming up/cooling down of **your horse** for an activity that's not covered by **your** policy. For example (but not limited to), if cross-country's listed, **your** policy provides cover when **you're** transporting **your horse** by vehicle and warming up/cooling down for the purpose of cross-country. If **we** state the **injury** or incident is related to an activity that isn't covered by **your** policy and **you** disagree, **you** can request that **we** appoint a mutually agreed independent **vet** for their opinion. If **you** ask for this, **you** agree to accept the independent opinion and **we'll** do the same. **We'll** pay any costs relating to this.

The activities that we can cover

The current list of all activities that can be covered is below so **you** can see what's available and check that **you** have the cover **you** need. To be covered for schooling for an activity **you** must choose the **class of use** for that activity. The activities **your horse's** covered for are shown on **your** Certificate of Insurance.

Class of use	Activities covered
A	Horses at grass, retired horses, breeding, showing, heavy horses (breeding and showing), hacking, long distance rides (under 25 miles), riding or pony club events, dressage (below elementary level), driving, gymkhanas, show jumping (BSJA and unaffiliated), Pre novice (or below) British Eventing (BE) affiliated one and three day events and unaffiliated cross-country.
Optional cover – Class of use B is optional and may not be included in the cover you've chosen.	
B	Class of use A activities plus novice level (and above) BE affiliated one and three day events, combined training, dressage (elementary level and above), hunter trials, hunting and long distance rides (over 25 miles).

When you can change your horse's class of use

You can increase or reduce **your horse's class of use** at any time, by calling **us** on 0345 070 1063.

Your horse's value

At all times you need to insure your horse for his/her current market value, even if you feel this isn't important for the cover you've chosen.

It's **your** responsibility to make sure the **sum insured** for **your horse** accurately reflects his/her current value. A horse's value can change over time so make sure **you** review **your horse's** value regularly and contact **us** if **you** feel this has changed. When **you** tell **us** the value of **your horse** has changed **we** may need **you** to explain why, such as explaining what activities **your horse** stopped doing.

If **your horse** dies and his/her **market value** is:

- **Lower than the sum insured** - **we'll** only pay the **market value** and won't refund any premium for the difference between the **sum insured** and the amount **we** pay.
- **Higher than the sum insured** - **we'll** only pay the **sum insured**.

What you need to do for your horse

As a responsible horse owner, there are steps **you**'ll take to keep **your horse** safe and healthy throughout his/her life. To make sure **you** get the full benefit of **our** cover, there are things that **you** need to do for him/her. If **you** don't, it could affect whether **we** pay **your** claims.

You need to take all reasonable steps to:

- Look after **your horse**'s health – this means **you** should:
 - Arrange for a **vet** to examine **your horse** when they're injured and arrange for any treatment within the timescales they recommend
 - Follow any advice given to **you** by **your vet** to help prevent or reduce the risk of **injury**
 - Keep **your horse** vaccinated against tetanus
 - Provide **your horse** with routine care
 - Arrange for **your horse** to have their teeth checked by a **vet** or qualified equine dentist at least once every 12 months. If **your vet**/dentist recommends any treatment during this check, it needs to take place within the timescales they recommended.
 - Ensure **your horse** is kept at a healthy weight
- Provide **your horse** with a safe and secure environment to prevent **injury** and theft or straying.
- Keep **your horse** controlled to prevent him/her from causing injury to another person or animal and damaging property.
- Make sure the person **riding** and/or handling **your horse** is experienced to do so and only uses him/her for the activities listed in their **class of use**.

If **we** believe any of the above hasn't taken place and this has resulted in preventable or additional costs, **we** won't pay these costs. If **you** disagree, **you** can ask **us** to appoint a mutually agreed professional for their opinion. If **you** ask for this, **you** agree to accept the independent opinion and **we**'ll do the same. **We**'ll pay for this.

If your horse was injured before your cover started – pre-existing injuries

*When **we** state 'before cover started' in this section, **we** mean both before **your horse**'s cover started and before a section of cover was added to **your** insurance.*

Your policy doesn't cover any **pre-existing injury**. This is any **injury** that happened or showed **symptoms**, before **your horse**'s cover started. It's also any **injury** which is caused by or related to it. This is regardless of when **you** need to make a claim for the **injury**.

Some examples:

- **Your horse** bruised his/her sole before cover started, the bruised sole is a **pre-existing injury**.
- Before cover started, **your horse** was lame and the **vet** decided to carry out some tests. In the meantime, **you** start a policy with **us**. The tests find **your horse** has a ruptured tendon. Anything related to this ruptured tendon is classed as a **pre-existing injury** as the **symptoms** were shown before **your horse**'s policy started.

It's important to read **our** definition of '**Pre-existing injury**' on page 4 as this'll be used to assess any claims **you** submit to determine if an **injury** is pre-existing.

Extra exclusions that can apply to the cover for your horse

We can place exclusions on **your** policy based on **your horse**'s individual **veterinary history** and **your** answers to **our** questions. Exclusions are specific to an individual horse and may refer to one or more health conditions, an entire part of **your horse**'s body or an incident. They show when something isn't covered for **your horse**, when it would usually be covered under **our** policy.

For example, **our** policies cover **veterinary treatment** when a horse has an **injury** which causes a ruptured tendon, however if a horse:

- Has a ruptured tendon before his/her cover starts, this is a **pre-existing injury** and exclusions can be placed stating claims for this ruptured tendon and related **injuries** won't be covered.

- Ruptures a tendon during cover, exclusions can be placed from **your** next renewal which show that cover for this ruptured tendon (and any related conditions) stops. Even though **we**'ll place a new exclusion from **your** renewal date, **we**'ll continue to assess any ongoing claims under the terms of **your** policy. This means that **you** can continue to claim for treatment up to **your maximum benefit**, or within the **12 months** after the **injury** happened, whichever is reached first.

The Terms and Conditions combined with any specific exclusions clearly show what **your** policy doesn't cover. If any specific exclusions have been added to **your horse's** cover, they'll be stated on **your** Certificate of Insurance and **your** policy won't cover any claim which falls under any exclusion placed.

Exclusions can be placed:

At the start of your policy	We can place exclusions at the start of a policy for any pre-existing injuries . Please read ' <i>If your horse was injured before your cover started – pre-existing injuries</i> ' on page 7 for more information about pre-existing injuries .
At renewal	<ul style="list-style-type: none"> • When you claim, and • Based on the answers to our questions about your horse's health and behavior. We ask certain questions about your horse at renewal because the 12 month time limit for claiming begins when your horse is injured. This is regardless of whether you claim for the injury or not. If we haven't received a claim for the injury, we still need to be told about the injury so we can advise how this'll affect your cover. <p>Any exclusions will be placed from your renewal date but we'll continue to assess any ongoing claims under the terms of your policy. This means that you can continue to claim for treatment up to your maximum benefit, or within the 12 months after the injury happened, whichever is reached first.</p> <p>We can also limit or remove <i>Personal liability</i> and <i>Personal accident</i> cover from renewal. Please read '<i>Renewing your policy</i>' on page 5, for more details.</p>

If **we** find out, that when **we** asked **you** for information (during **your** original application or at **your** renewal) **you**:

- Didn't tell **us** about something, or
- Provided inaccurate information (regardless of whether or not **you** thought it was accurate at the time),

We can add exclusions based on the new information **we** have. These will be added from the time they would have been placed had **we** been aware at **your** application or renewal.

If you want to change your cover

Adding a new section of cover/ Changing to a higher level of cover	You can apply to do this at any time (where an increase is available). We 'll let you know if you can do this once we 've reviewed the relevant details.
Removing an optional section of cover	Your cover for Death of your horse from injury and Loss by theft or straying are included in your cover as standard and can't be removed. All other sections are optional and can be removed any time. If you remove a section, all cover will stop from that date and no further claims will be paid.
Changing to a lower level of cover	You can do this at any time (where a reduction is available).
Changing your horse's class of use and sum insured	You can do this at any time. When you tell us the value of your horse has changed we may need you to explain why, such as explaining what activities your horse stopped doing that he/she did before. <i>For more details please read the sections 'Your horse's value' on page 6 and 'Your horse's class of use' on page 5.</i>

If **you**'d like to discuss changing **your horse's** cover please call **us** on 0345 070 1063. Changing **your** cover will impact the price **you** pay.

Making a claim

It's distressing when an incident happens or a much loved horse is injured, so **we** do all **we** can to make the claims process as quick and easy as possible. This section tells **you** how to make a claim. Don't forget if **you** have a valid claim under the *Injury only veterinary fees* section **we** can usually pay the veterinary practice direct.

Telling us about a claim or potential claim

If the *Personal liability* section is shown on **your** Certificate of Insurance and an incident happens which could lead to a claim, for example **your horse** causing injury to a third party or damaging third party property, **you** must call to tell **us** as soon as possible. **You** must tell **us** about an incident even if **you** don't believe that a claim is being, or will be, made against **you**. **You** should call **our** specialist liability teams on 01483 218 781 for injury to a third party and 01483 218 782 for damage to third party property. The lines are open Monday to Friday, 9am to 5pm, excluding Bank Holidays.

For any sections, other than *Personal liability* **you** don't need to contact **us** to let **us** know **you**'ll be making a claim. **You** can simply send **us** **your** completed claim form and any supporting information **we**'ve asked for (shown in the '*When you claim you must send us*' section **you**'re claiming under). Of course, if **you**'d like to discuss **your** claim **we**'re always happy to help.

Getting a claim form

Most claim forms can be downloaded from **our** website www.seisinsurance.co.uk. If **you**'d like **us** to send **you** a claim form please contact **us**.

When to send us your claims

You must send **us** **your** *Injury only veterinary fees* claim(s) no later than one year after **your horse** received treatment. Any claims received after this time won't be covered by the policy. For all other sections of cover, the '*When to send us your claim*' part of the section tells **you** when **you** need to send **us** **your** claim.

Completing the claim form

Please make sure **your** claim is completed fully by both **you** and if applicable **your vet**, as **we** need this information to process **your** claim. If any information's missing, this'll delay **your** claim. Any supporting documentation stated in the '*When you claim you must send us*' part of the relevant section must accompany **your** fully completed claim form. **You**'ll need to pay any fees made for the completion of claim forms or the cost of any supporting documentation as these costs aren't covered by the policy.

Claims decisions over the telephone

We don't guarantee on the phone if **we**'ll pay a claim. Once **we**'ve received a fully completed claim form and all of the supporting information, **we**'ll assess **your** claim and only then will **we** be able to let **you** know if **we**'ll pay the claim.

Your excesses

The excess is the amount **you** pay when **you** claim. The excesses **you** pay are explained on **your** Certificate of Insurance.

Injury only veterinary fees

Cover in this section applies when **your horse's** in the **UK**.

The Injury only veterinary fees section's an optional benefit that's only included in **your horse's** cover if it's shown on **your** Certificate of Insurance.

What we'll pay

The cost of **veterinary treatment your horse** has received during the **policy year** to treat **injury**.

There are restrictions on how long we'll cover each injury.

How long we'll cover each injury

Your cover has two limits and **we'll** keep paying for an **injury** until one of these limits has been reached:

- A *time-limit* for how long **you** can claim for each **injury** and
- A *monetary limit* for how much **we'll** pay for each **injury** (this is called the **maximum benefit**).

The time-limit

Your policy covers each **injury** for **12 months**. The **12 months** start when the **injury** happens. This is regardless of whether **you** claim for the treatment or not. After this time all cover for that **injury** will stop.

The monetary limit

Your policy provides a maximum amount of money for **you** to claim for each separate **injury**. This is called the **maximum benefit** and the amount **you** can claim for each **injury** is shown on **your** Certificate of Insurance.

To fully understand how the *time-limit* and *monetary limit* will be applied **you** also need to read the below parts of this section, on page 11:

- The way we work out the 12 month time-limit and the maximum benefit
- After your policy limits have been reached
- The cost of medicines and materials

Who needs to carry out treatment?

We'll cover **your horse's veterinary treatment** if it's carried out by a **vet**, a veterinary nurse or another member of a veterinary practice under the supervision of a **vet**. If **your horse** needs dental treatment, this must be carried out by a **vet** or qualified equine dentist.

What you pay – your excess

The excess is the amount **you** pay when **you** claim and this is deducted from **your** claim settlement(s). The excess **you** pay under this section is shown on **your** Certificate of Insurance.

We won't pay for:

1. Treatment for an **illness**, including treatment that's caused by or related to any **illness**.
2. Routine or preventative treatments recommended by a **vet** to prevent **injury**. **We** also won't pay for any complications that result from these procedures.
3. Treatment or procedures that **you** choose to have carried out, which the **vet** confirms isn't necessary or isn't related to an **injury**. **We** also won't pay for any complications that arise from the treatment/procedure.
4. Any complementary/alternative treatment, such as, but not limited to, acupuncture, chiropractic manipulation, food supplements, herbal medicine, homeopathy, nutraceuticals, osteopathy, physiotherapy, **specialist farriery**, hydrotherapy. **We** also won't pay for any **veterinary treatment** specifically needed to carry out these treatments. **We** cover some of these treatments in the optional '*Complementary therapy*' section, which is only included in **your horse's** cover if it's shown on **your** Certificate of Insurance.
5. The cost of:
 - Livery, stabling, bedding, grazing, feeding or any changes in the way **you** look after **your horse**, and
 - Transporting **your horse** to, or from, his/her place of treatment.

If **your horse's** referred as an inpatient or needs specialist **veterinary treatment**, this cover is provided in the optional '*Hospitalisation and transportation*' section, which is only included in **your horse's** cover if it's shown on **your** Certificate of Insurance.

6. Treatment needed because of a vice or from **your horse's** behaviour.
7. Treatment for any **injury** deliberately caused by **you**, a member of **your immediate family** or the person looking after **your horse**.
8. A post-mortem examination and/or report.
9. Treatment that's part of a clinical trial. For the purpose of this insurance, a clinical trial is a research project testing new treatment.

The way we work out the 12 month time-limit and the maximum benefit

Please read '*How long we'll cover each injury*' in this section before reading the wording below.

The **12 months** cover and the **maximum benefit** start from the date the **injury** happened. If **your horse** has more than one **injury** and they:

- Are diagnosed as the same **injury**, or
- Happen at the same time, or
- Are caused by, or relate to, one another,

One period of **12 months** and one **maximum benefit** applies for all of the **injuries**. In this case the **12 months** of cover and the **maximum benefit** starts from the date the first **injury** happened.

For example (but not limited to), a horse is hit by a car and sustains multiple **injuries**. As the **injuries** happened at the same time, the **12 months** cover for all of the **injuries** will start from the when the road traffic accident happened and only one **maximum benefit** will apply.

After your policy limits have been reached

Please read '*How long we'll cover each injury*' in this section before reading the wording below.

If **we've** paid for either the cost of treatment for **12 months** or the **maximum benefit** **we** won't pay for any more treatment for that **injury**. **We'll** also not pay for any **injury** which is caused by or related to it.

When to send us your claim

You must send **us** **your** claim no later than one year after **your horse** received treatment. Any claims received after this time won't be covered by the policy.

When you claim you must send us:

- A fully completed claim form.
- The invoices from the veterinary practice or professional which show what **you're** claiming for.
- *If it's the first claim you're making for your horse* - his/her full **veterinary history**.
- *If it's a claim for a new injury* - the **veterinary history** for the treatment **you're** claiming for. There are claims for certain injuries where **we'll** also need this, but **we'll** let **you** know in these cases once **we've** received **your** claim.
- *If it's a continuation claim* - the **veterinary history** back to the previous claim.
- If **you're** claiming for items which haven't been purchased from a veterinary practice:
 - The invoices showing the items **you're** claiming for.
 - For prescription only medications - if it's the first claim **you're** making for the treatment, **we** need a copy of the prescription for the medication.
 - For anything else - **your vet** needs to tell **us** that the items were needed to treat the **injury** being claimed and the quantities required.

If your horse was injured before your cover started

When **we** state '*before cover started*', **we** mean both before **your horse's** cover started and before a section of cover was added to **your** insurance.

Your policy doesn't cover any **pre-existing injury**. This is when **your horse** was injured or had **symptoms** before **your** cover started. Any **injury** that happened before **your horse's** cover started is classed as a **pre-existing injury**. It's important to read '*If your horse was injured before your cover started - pre-existing injuries*' on page 7 and **our** definition of '*Pre-existing injury*' on page 4 as these will be used to assess any claims **you** submit to determine if a **injury** is pre-existing.

The cost of medicines and materials

We'll cover the cost of any medicines or materials that'll be used during the **12 month** time-limit. This is **12 months** from the date the **injury** happened. Any medicines/materials used after this time aren't covered by **your** policy.

When we cover dental treatment

- **We'll** cover treatment for a dental injury as long as:
 - **Your horse** had their teeth checked by a **vet** or qualified equine dentist in the **12 months** before the **injury** happened, and
 - Any treatment they recommend during the check takes place within the timescales they recommended.
- **We** don't cover the cost of rasping **your horse's** teeth.

When we cover the cost of castrating your horse

We cover the cost of castrating **your horse** if the procedure's carried out when he's suffering from an **injury** and castrating is essential to treat that **injury**. **We** won't pay castration costs for any other reason.

Out of hours treatment

We'll cover the cost of **your horse** being treated outside of the veterinary practice normal opening hours if **your vet** confirms **your horse** needed urgent veterinary care. **We** won't cover any costs if this was needed because of **your personal circumstances**. **Your vet** will need to confirm this when **you** claim. If not, **we'll** only cover the charges that would've applied during normal opening hours.

When your horse is staying at a veterinary practice or hospital

If **your horse** stays at a veterinary practice or hospital **we'll** cover the cost of veterinary and nursing care. This section doesn't cover any charges made by the practice/hospital for livery, stabling, grazing, bedding and feeding. If **your horse's** referred as an inpatient or needs specialist veterinary treatment, this cover is provided in the optional '*Hospitalisation and transportation*' section, which is only included in **your horse's** cover if it's shown on **your** Certificate of Insurance.

The costs relating to putting your horse to sleep

We won't cover the cost of:

- Putting **your horse** to sleep, including any veterinary consultations/visits or prescribed medications needed to carry out the procedure.
- Having **your horse** cremated, buried or any other form of disposal. This cover is provided in the optional '*Disposal following death from injury*' section, which is only included in **your horse's** cover if it's shown on **your** Certificate of Insurance.

The cost of procedures you can carry out

There can be times when a **vet** or a professional asks **you** to provide treatment on **your horse**. For example (but not limited to) **you** carrying out controlled exercise, giving medication, using a horse walker etc. If another person/professional does this for **you** (regardless of **your personal circumstances**), **we** won't cover their charges.

The cost of equipment or machinery

We won't cover the cost of buying or hiring any type of equipment or machinery. These costs are never covered by the policy and this is regardless of whether:

- A **vet** advises the item is required as part of treatment, or
- The item is required due to **your personal circumstances**.

Examples of equipment and machinery are (but not limited to) tens machines, equiband, leg boots etc.

The cost of sedation

We'll cover the cost of sedating **your horse** for the following reasons:

- **Your horse** needs to be sedated to safely travel to his/her place of treatment and not sedating him/her is likely to worsen the **injury**.
- The sedation is needed for the **vet** to safely carry out the treatment.
- The **vet** has recommended box rest as part of treatment for the **injury** and **your horse** requires sedation for this.
- Where sedation is needed to safely turn **your horse** out following a period of box rest. For this purpose **we'll** cover the cost of sedation for up to 7 days.

Your vet needs to confirm which of the above applies when **you** claim. **We** won't cover the cost of sedating **your horse** for any other reason.

The cost of transplant surgery

We cover the cost of stem cell therapy. Any other type of transplant surgery (for example, but not limited to, an organ transplant etc) isn't covered by the policy. **We** don't cover any costs related in any way to any other transplant surgery (including any pre and post-operative care).

Your horse's class of use

You need to make sure **your** insurance covers all of the activities **your horse** takes part in. **Your** policy only covers any **injury** which:

- Happen when **your horse** is taking part in, or
- Are in any way related to **your horse** taking part in,

An activity that is shown as covered on **your** Certificate of Insurance.

You can find more information about how **your horse's class of use** affects **your** cover, in '*Your horse's class of use*' on page 5.

Administration fees and other charges

We don't cover the cost of any administration fees or charges. This includes (but isn't limited to):

- Fees for the completion of claim forms or claim submission.
- Fees for supplying supporting documentation.
- Late payment fees or interest.
- Any amount for postage and packaging.

We'll deduct these from the claim settlement.

Another vet reviewing your horse's details:

- **We** can refer **your horse's** details and **veterinary history** to a **vet** that **we** choose. If **we** request, **you** must arrange for **your horse** to be examined by this **vet**. **We'll** pay any costs for this.
- **We** may decide that **we** need **our vet** to agree **your horse's** treatment with **your vet** before it's carried out. **We'll** advise **you** if this agreement is required and once advised this will apply to any treatment carried out from that point onwards, unless **your horse** needs emergency treatment or **we** tell **you** otherwise.

Dealing with your veterinary practice:

- If a veterinary practice asks **us** for information about **your** insurance cover and **we** agree to provide it, **we'll** only do this if the veterinary practice confirms they:
 - Recently provided treatment for **your horse**, or
 - Have spoken with **you** about providing treatment for **your horse** in the near future.

In these cases, **we'll** only tell the veterinary practice if **you** have an active insurance policy with **us** for **your horse**, and if **you** do – the date cover started, the type of cover in place, the monetary limits of **your** policy, the excesses **you** pay and if any exclusions have been placed on **your** cover.

- If **you** have a valid claim, **we** can usually pay the veterinary practice directly; however, if **you** ask **us** to do this, **we** can decline **your** request.

The table below explains who needs to carry out the different elements within this section of cover. The treatment will only be covered if this criteria is met. Where it's noted that treatment can be carried out by someone who's not a **vet**, when this happens, **we'll** need confirmation that a **vet** has recommended the treatment after examining **your horse** and referred him/her to the professional.

The cost of procedures you can carry out

There can be times when a **vet** or a professional asks **you** to carry out treatment on **your horse**. Hospitalisation and transportation

Cover in this section applies when **your horse's** in the **UK**.

The Hospitalisation and transportation section's an optional benefit that's only included in **your horse's** cover if it's shown on **your** Certificate of Insurance.

What we'll pay

If **your vet** has referred **your horse** as an inpatient, for a second opinion and/or specialist treatment during the **policy year**, we'll pay:

- Transportation costs to, and from, a veterinary practice, veterinary college or hospital, and
- Livery charges at a veterinary practice, veterinary college or hospital.

We'll pay up to the **maximum benefit** shown on **your** Certificate of Insurance.

To have a valid claim, your horse's injury must be covered under the Injury only veterinary fees section of cover.

If the transport belongs to **you** or member of **your immediate family**, or it has been lent to **you** free of charge, we'll only cover the fuel costs **you** incur, for travel between **your horse's** usual home and the veterinary practice, veterinary college or hospital.

When your horse is staying at a veterinary practice, veterinary college or hospital

If **your horse** stays at a veterinary practice, veterinary college or hospital, we'll cover their charges for livery, stabling, grazing, bedding and feeding. **We** won't cover any charges for veterinary and nursing care. This cover is provided in the optional '*Injury only veterinary fees*' section, which is only included in **your horse's** cover if it's shown on **your** Certificate of Insurance.

Death of your horse from injury

Cover in this section applies when **your horse's** in the **UK**.

What we'll pay

The **sum insured** shown on **your horse's** Certificate of Insurance (or his/her **market value**, whichever is less) if, during the **policy year**, he/she dies or has to be **put to sleep** by a **vet** due to an **injury**.

Important information if your horse is put to sleep

If **your horse** is **put to sleep**, cover under this section's only in force if his/her condition has met the **BEVA Guidelines for the Destruction of Horses**. These state that the insured horse must have suffered from an **injury** that was so severe that immediate euthanasia was needed to relieve his/her incurable and excessive pain and that no other options of treatment were available at that time. To understand more about this, it's important that **you** also read '*Your horse's condition must have met the BEVA Guidelines for the Destruction of Horse's*' on page 16 and the full BEVA guidelines at the end of this section.

If **you** want to know if **your** claim will be considered before **your horse** is **put to sleep** we strongly recommend **you** ask **your vet** if **your horse's** condition meets the criteria to understand if **you're** able to submit a claim under this insurance.

We understand that as a horse owner **you** may choose to put **your horse** to sleep knowing that the BEVA criteria isn't met (and therefore a claim wouldn't be considered under **your** insurance) because it's the correct decision for both **your horse** and **you**. To help with **your** understanding of this criteria, **we've** provided an example of when **we** won't consider a claim for **your horse's** death.

A horse becomes lame and is diagnosed with a ruptured tendon. The **vet** advises that some treatment is available. However, after discussing the horse's individual situation, the owner and **vet** decide the right approach for this horse is to put him/her to sleep to stop the suffering. As treatment is available for the ruptured tendon, the horse's condition hasn't met the **BEVA Guidelines for the Destruction of Horses** and therefore there's no cover under this section.

We won't pay any amount:

1. If **your horse's** death is caused by or relates to an **illness**.
2. If **your horse's** **put to sleep** and his/her condition didn't meet the **BEVA Guidelines for the Destruction of Horses**.
3. If **your horse's** death is caused by a **pre-existing injury**. It's important to read '*If your horse was injured before your cover started – pre-existing injuries*' on page 7 and **our** definition of '*Pre-existing injuries*' on page 4 for further information.
4. Towards the cost of having **your horse** **put to sleep**.
5. For having **your horse** cremated, buried or any other form of disposal. This cover is provided in the optional '*Disposal following death from injury*' section, which is only included in **your horse's** cover if it's shown on **your** Certificate of Insurance.
6. If **your horse's** death is deliberately caused by **you**, a member of **your immediate family** or the person looking after him/her.
7. If **your horse's** death is caused by a vice or from a behavioural illness or problem.
8. For the cost of a post-mortem examination and/or report.
9. If **your horse's** death is caused by medication which wasn't given by a **vet** or under the direction of a **vet**.
10. For a mare's unborn foal, embryo or foetus.

Your horse's condition must have met the BEVA Guidelines for the Destruction of Horses

If **your horse's** **put to sleep**, to claim under this policy his/her condition must have met the **BEVA Guidelines for the Destruction of Horses**. These can be found on page 18.

If **you** want to know if **your** claim will be considered before **your horse's** **put to sleep**, **we** strongly recommend (unless **your horse** needs to be **put to sleep** immediately) **you** ask **your vet** if **your horse's** condition meets the criteria to understand if **you're** able to submit a claim under this insurance.

If **your vet** and **our vet** don't agree that **your horse's** condition meets/met the **BEVA Guidelines for the Destruction of Horses**, **you** can request that **we** appoint an independent **vet**, mutually agreed upon for their opinion. If **you** ask for this, **you** agree to accept the independent opinion and **we'll** do the same. **We'll** pay any costs relating to this.

The way we work out the 12 month time-limit

Your policy has a time limit for how long **you** can claim; **you** can claim for each **injury** for **12 months** only. After this time all cover for that **injury** will stop. This means that this section will only provide cover if **your horse** dies or is **put to sleep** within this **12 month** time limit.

The **12 months** cover will start from the date the **injury** happened. If **your horse** has more than one **injury** and they:

- Are diagnosed as the same **injury**, or
- Happen at the same time, or
- Are caused by, or relate to, one another,

One period of **12 months** will apply for all of the **injuries**. In this case the **12 months** of cover will start from the date the first **injury** happened.

When to send us your claim

You must send **us** your claim no later than one year after **your horse's** death. Any claims received after this time won't be covered by the policy.

When you claim you must send us:

- A fully completed claim form.
- **Your horse's** full **veterinary history**.
- If **your horse** was **put to sleep** - a report from **your vet** that confirms **your horse's** condition has met the **BEVA Guidelines for the Destruction of Horses**.
- The post-mortem report (if required) - **we** explain when **we** require a post-mortem examination to be carried out below.
- If the **veterinary history** confirms the death of **your horse**, **we** don't need any additional information from **you**. If it doesn't, please contact **us** and **we** can advise depending on the circumstances.

Contacting us before your horse is put to sleep

We understand how difficult this time can be and **we** don't need **you** to contact **us** before **your horse** is **put to sleep**.

If **you'd** like to know if **your** claim will be paid before **your horse's** **put to sleep**, please contact **us**. As **your horse's** condition must meet the **BEVA Guidelines for the Destruction of Horses** to have a valid claim, **we** (or **our vet**), will need to speak with **your vet** before **we** can let **you** know if **your** claim will be paid.

When we require a post-mortem examination

We understand how difficult this time can be. For the majority of cases, **we** don't require a post-mortem examination to be carried out after **your horse's** death. **We** only require **you** to arrange a post-mortem examination to be carried out and a report produced for the below two reasons:

- **Your horse** dies, or is **put to sleep** and there have been no investigations carried out or diagnosis made, to confirm that **your horse's** death was caused by an **injury**.
- **You**, or **your vet**, has contacted **us** to understand if **you're** able to submit a claim under this insurance and **our vet** has advised that a post-mortem examination is necessary.

You must pay any costs for this. If **you're** unsure whether **we** require a post-mortem examination, please call **us**. **Our** details are in the section titled '*How to contact us*' at the back of this booklet.

Your horse's class of use

You need to make sure **your** insurance covers all of the activities **your horse** takes part in. **Your** policy only covers any **injury** which:

- Happen when **your horse** is taking part in, or
- Are in any way related to **your horse** taking part in,

An activity that is shown as covered on **your** Certificate of Insurance.

You can find more information about how **your horse's class of use** affects **your** cover, in '*Your horse's class of use*' on page 5.

Another vet reviewing your horse's details

We can refer **your horse's** details and **veterinary history** to a **vet** that **we** choose and if **we** request, **you** must arrange for **your horse** to be examined by this **vet**. **We'll** pay the costs for this.

Cover following a claim

If **we** pay a claim under this section, **we'll** automatically cancel **your horse** from the policy from the day after his/her death. **We'll** refund any premium **you've** paid for cover after this time.

BEVA Guidelines for the Destruction of Horses Under an All Risks of Mortality Insurance Policy (1996)

This section states the wording as it appears in the British Equine Veterinary Association (BEVA) document, the BEVA Guidelines for the Destruction of Horses Under All Risks Mortality Insurance Policy. Source: BEVA. If **you** need anymore information please visit the BEVA website – www.beva.org.uk

1. BEVA considers that the decision to advise an owner to destroy a horse on humane grounds must be the responsibility of the attending veterinary surgeon, based on his or her assessment of the clinical signs at the time of examination, regardless of whether or not the horse is insured. The veterinary surgeon's primary responsibility is to ensure the welfare of the horse.
2. BEVA recognises that there may be occasions when the attending veterinary surgeon will advise euthanasia but that such a decision may not necessarily lead to a successful insurance claim. It is important that all parties are aware of this potential conflict of interests before a horse is destroyed. It is the owner's responsibility to ensure compliance with any policy contract with an insurer.
3. As a guide, BEVA considers that an affected horse will need to meet the following requirements to satisfy a claim under a mortality insurance policy: "That the insured horse sustains an injury or manifests an illness or disease that is so severe as to warrant immediate destruction to relieve incurable and excessive pain and that no other options of treatment are available to that horse at that time."
If immediate destruction cannot be justified then the attending veterinary surgeon should provide effective first aid treatment before:
 - (i) Requesting that the insurance company be contacted or, failing that,
 - (ii) Arranging for a second opinion from another veterinary surgeon.
4. Insurance companies frequently require some form of examination after death. Owners should be made aware that it is in their best interests to retain the carcass, or appropriate parts, for this purpose. The horse should be positively identified.
5. It should be stressed that in the event of a horse being destroyed on grounds which justify a claim it is still the responsibility of the insured to prove that all policy Terms and Conditions are complied with and were current at the time of the incident.

What you pay – your excess

This is the amount **you** pay when **you** claim and it's explained on **your** Certificate of Insurance.

There's no cover in this section when you're paying a business or professional for a service

This section doesn't provide any cover if an incident or injury happens when a service is being carried out by a business or professional and **you're** paying for it. For example (but not limited to), when a professional is being paid to clip or exercise **your horse**, when someone's caring for **your horse** as part of a livery service or a transporter is being paid to move **your horse**. To make sure **you're** protected **you** may want to check that the business or professional has the relevant insurance cover in place (which covers **your horse's** actions). It's also important that **you** tell them if **your horse** has any behavioural problems or requires any special handling so they're able to handle **your horse** in an appropriate manner.

There's no cover in this section when your horse, your horse-drawn vehicle or horse trailer's being used for a business activity

This section doesn't provide any cover when **your horse** or **your horse-drawn vehicle or horse trailer's** being used for any business activity, either by **you** or any other person or business. Examples of business activities are (but not limited to) **your horse** being used by a riding school/riding establishment for activities such as lessons, pony handling/grooming or pony parties or someone paying to use **your horse-drawn vehicle or horse trailer**. To make sure **you're** protected **you** may want to check that the person (which may be yourself) or business responsible for the business activity has the relevant insurance cover in place.

Other people riding your horse

If **you've** given someone permission to **ride/handle your horse**, this section also covers third party incidents involving **your horse** that they're legally responsible for. Under this section, the person **riding/handling your horse** won't be covered for their own injuries, illness or death. If other people **ride/handle your horse**, **you** need to tell us if they:

- Have an injury, physical disability or condition, or
- Are aged 75 and over

As this can affect the cover **we** provide.

For more details please read '*When we may require a medical examination*' in this section.

- Report the incident to any other insurance company under which **you're** entitled to claim. **You** must tell **us** their name and address and **your** policy and claim number with them. **We** won't make any payment for any claim that results from an incident covered by any other insurance.
- Immediately send **us** any writ, summons or legal documents **you** receive. **You** or any other person must not respond to any of these documents.
- Provide **us** with any information connected with the claim **we** ask for including details of **your horse's** history.

7. If the incident happens in an area or place where horses are specifically prohibited, unless **your horse** escapes and enters the area outside of **your** control.
8. For an incident which occurs when **your horse** is tethered or when **your horse** had escaped from, or has been purposefully released from, a tether.
9. If all or part of a fence, a wall, a gate or an agricultural crop is damaged while **you're riding** or handling **your horse**.
10. For a horse-drawn vehicle on the public highway if **your horse** is not drawing it.

We can remove cover for Personal liability at renewal

At renewal **we** can limit or remove this cover based on a review of **your horse's** behaviour and the answers to **our** questions. For example (but not limited to) any aggressive tendencies shown, any incidents where **your horse** has caused injury to a person/another animal or any health conditions which can affect how **your horse** behaves. If there's a change to **your** cover, **we'll** write to you explaining the change **we've** made.

At each renewal, **we** ask **you** about **your horse's** behaviour and any health conditions **you** have that may impact **your** ability to **ride** and handle a horse. The things **you** need to tell **us** about are detailed in **your** Certificate of Insurance. **You** must provide **us** with the full and accurate information, if **you** don't it can result in a claim not being paid or affect the cover **we** provide.

Where there's more than one horse insured under the policy

If more than one of the horses insured under this policy are involved in, or contribute towards, an incident only one **maximum benefit** will apply to the incident for all of the horses. This means that if:

- The horses involved all have the same **maximum benefit**; the most **we'll** pay for the incident is that **maximum benefit**. For example, if all of the horses insured each have a **maximum benefit** of £1million, **we'll** pay no more than £1million for the incident.
- The horses involved have different **maximum benefits**; the most **we'll** pay for the incident is the highest of the **maximum benefits**. For example if one horse has a **maximum benefit** of £1million, and another of £3million, **we'll** pay no more than £3million for the incident.

Your horse's class of use

You need to make sure **your** insurance covers all of the activities **your horse** takes part in. **Your** policy only covers incidents which:

- Happen when **your horse** is taking part in, or
- Are in any way related to **your horse** taking part in,

An activity that is shown as covered on **your** Certificate of Insurance.

You can find more information about how **your horse's class of use** affects **your** cover, in '*Your horse's class of use*' on page 5.

When we may require a medical examination

- *If **you** have an old injury, physical disability or condition* - before **we** provide cover for Personal liability, **we** can ask **you** to provide a letter from **your** doctor to confirm that **you're** safe to **ride** and handle **your horse** for the activities listed on **your** Certificate of Insurance.
- *At the renewal after **your** 75th birthday and every three years from then on* - **we** can ask for a letter from **your** doctor to confirm that **you're** safe to **ride** and handle **your horse** for the activities listed on **your** Certificate of Insurance. If **we've** asked for this, **we** won't be able to cover **you** for 'Personal liability' while **you're** **riding** or handling **your horse** until we receive this. **We'll** write to **you** before **your** renewal to let **you** know when this is required.

If a charge is made for this, **you** must pay the charge.

Keeping your policy running after the incident that has led to a claim

You can keep **your** policy running for as long as **you** like after the incident that has led to a claim. If **you** decide to cancel **your** policy, **we'll** continue to pay up to the **maximum benefit** for the incident that happened while **your** cover for Personal liability was in place.

Incidents involving your horse trailer while it's attached to (or becomes detached from) a vehicle

This section doesn't cover any incident that happens while **your** horse trailer's attached to (or becomes detached from) a vehicle. For example (but not limited to) while **your** trailer's being towed by **your** car. It's **your** responsibility to make sure **your** horse trailer has the appropriate insurance to cover Personal liability while it's attached to any vehicle that needs Third Party cover under any road traffic law.

Cover in this section applies when **your horse's** in the **UK**.

The Personal accident section's an optional benefit that's only included in **your** cover if it's shown on **your** Certificate of Insurance.

In this section, '**you**' also includes anyone **riding** or handling **your horse** with **your** permission.

2. Permanent blindness in one or both eyes	£10,000
3. Loss of one or more limbs*	£10,000
4. Permanent total disablement	£10,000

We'll pay **you** £10,000 if:

- It's been at least 52 weeks since the accident happened, and
- A doctor confirms **you've** suffered permanent damage as a result of the accident, which means **you'll** never be able to carry out any type of work.

To claim under this section, **your** injury must be so severe that **you'll** never be able to carry out any type of work. **You** can't claim under permanent total disablement if **you** can no longer carry out **your** current profession but are capable of carrying out any other type of work.

This is the case even if **you** need to retrain to carry out an alternative type of work.

There's no cover under this section if **you're** retired and have permanently stopped working.

Hospital benefit

We'll pay **you** £50 for each 24 hours **you're** hospitalised as a result of the accident, for a maximum period of 30 days.

There's no cover in this section when your horse is being used for a business activity

This section doesn't provide any cover when **your horse** is being used for any business activity, either by **you** or any other person or business. Examples of business activities are (but not limited to) **your horse** being used by a riding school/riding establishment for activities such as lessons, pony handling/grooming or pony parties. To make sure **you're** protected **you** may want to check that the person (which may be yourself)/business responsible for the business activity has the relevant insurance cover in place.

Other people riding your horse

This section covers accidents that happen when other people are **riding** and/or handling **your horse** with **your** permission. If other people **ride/handle your horse**, **you** need to tell **us** if they:

- Have an injury, physical disability or condition, or
- Are aged 75 and over

As this can affect the cover **we** provide. For more details please read '*When we may require a medical examination*' in this section.

We won't pay any amount if:

1. **Your** death, permanent total disablement, permanent blindness or loss of one or more limbs(s) happens more than 24 months after the date **you** were injured.

2. The dental treatment isn't directly related to the accident.
3. The person injured is under 5 years old.
4. The incident or injury that takes place is a result of any business activity, **your** profession, **your** occupation or while **you're** working for someone, whether **you're** paid or not.
5. The injury resulted from suicide, attempted suicide or **you** deliberately injuring yourself.
6. The injury was caused because **you** deliberately put yourself in danger unless it was in an attempt to save someone's life.
7. The injury results from **you** being under the influence of alcohol.
8. The injury results from **you** taking a drug unless it was under proper medical supervision and not to treat any drug addiction.

- A fully completed claim form.
- As each claim will be different, please contact **us** and **we'll** advise what additional documents are needed.

We can remove cover for Personal accident at renewal

At renewal **we** can limit or remove this cover based on a review of **your horse's** behaviour and the answers to **our** questions. For example (but not limited to) any aggressive tendencies shown, any incidents where **your horse** has caused injury to a person/another animal or any health conditions which can affect how **your horse** behaves. If there's a change to **your** cover, **we'll** write to **you** explaining the change **we've** made.

At each renewal, **we** ask **you** about **your horse's** behaviour and any health conditions **you** have that may impact **your** ability to **ride** and handle a horse. The things **you** need to tell **us** about are detailed in **your** Certificate of Insurance. **You** must provide **us** with the full and accurate information, if **you** don't it can result in a claim not being paid or affect the cover **we** provide.

If you had an injury, physical disability or condition before the accident leading to a claim

If an injury is worse because of an old injury, physical disability or condition that **you** had before the accident, **we'll** only pay a percentage of **your** claim. The percentage will be based on the amount the old injury, physical disability or condition affects, or is part of, the new injury.

If **you** disagree with the percentage decided, **you** can request that **we** appoint a mutually agreed independent doctor for their opinion. If **you** ask for this, **you** agree to accept the independent opinion and **we'll** also do the same. **We'll** pay any costs relating to this.

Wearing protective headgear

You must wear current BSI/European approved protective headgear at all times when **riding your horse**. **We'll** only cover a claim related to a head injury if **you** do this.

Multiple disabilities

If **you** suffer from more than one of the disabilities numbered 1, 2, 3 or 4 in the table on page 22, **we'll** only pay £10,000 for all of the disabilities.

Your horse's class of use

You need to make sure **your** insurance covers all of the activities **your horse** takes part in. **Your** policy only covers incidents which:

- Happen when **your horse** is taking part in, or
 - Are in any way related to **your horse** taking part in,
- An activity that is shown as covered on **your** Certificate of Insurance.

You can find more information about how **your horse's class of use** affects **your** cover, in 'Your horse's class of use' on page 5.

When we may require a medical examination:

- *After an accident that has led to a claim* - as part of the claims assessment there may be times when **we** require **you** to be examined by a medical advisor or doctor. If **we** advise this is needed, **we** can appoint **our** own medical advisers to examine **you** as often as **we** feel is necessary. **We'll** pay any costs for this.
- *If **you** have an old injury, physical disability or condition* - before **we** provide cover for Personal accident, **we** can ask **you** to provide a letter from **your** doctor to confirm that **you're** safe to **ride** and handle **your horse** for the activities listed on **your** Certificate of Insurance. If a charge is made for this, **you** must pay the charge.
- *At the renewal following **your** 75th birthday and every three years from then on* - **we** can ask for a letter from **your** doctor to confirm that **you're** safe to **ride** and handle **your horse** for the activities listed on **your** Certificate of Insurance. If **we've** asked for this, **we** won't be able to cover **you** for 'Personal accident' while **you're riding** or handling **your horse** until **we** receive this. **We'll** write to **you** before **your** renewal to let **you** know when this is required. If a charge is made for this, **you** must pay the charge.

Keeping your policy running after the accident that has led to a claim

You can keep **your** policy running for as long as **you** like after the accident that has led to a claim. If **you** decide to cancel **your** policy, **we'll** continue to pay up to the **maximum benefit** for the accident that occurred while **your** cover for Personal accident was in place.

Once **we've** paid a claim for any of the disabilities numbered 2, 3 or 4 in the table on page 22, all cover for all of these stop. If **you** have another accident **you** can't claim for any of these disabilities.

We won't automatically remove **your** Personal accident cover if **we** pay a claim under this section. If **you** want to stop cover **you** need to let **us** know and this benefit can be removed from the date **you** ask **us** to do this.

We'll refund any amount **you've** paid for cover after the cancellation date. **We** won't refund any premiums paid for cover before the date **you** tell **us** **you** want cover in this section to stop.

General conditions that apply to all sections of your policy

You must keep to these conditions to have the full protection of **your** policy. If **you** don't, and the condition **you** haven't kept to relates to a claim, **we** can refuse the claim.

1. Where you and your horse live:

- **You** and **your horse** must live in the **UK**. The only exception to this are serving members of the **UK** Armed Forces with a British Forces Post Office (BFPO) address.
- If **your** address changes **you** must tell **us** as soon as possible as this can affect **your** premium and the cover **we** provide.

Your cover can be affected if **you** provide incorrect information about where **you** live.

2. Ownership of your horse

You must be the owner of **your horse** or have **your horse** on loan:

- If **you** own **your horse** - **your** cover will stop immediately if ownership is transferred to another person or organisation.
- If **you** have **your horse** on loan - **your** cover will stop immediately once **your horse** is returned to his/her owner.

This policy is only in force if **you** pay the premium. If **you** pay by Direct Debit instalments and **you** miss an instalment, **you** must pay the outstanding amount within the timescales stated in the reminders **we** send **you**. We'll only change the cover **we** provide during the **policy year**, if:

- **You** decide to change **your** cover.
- **You** didn't tell **us** about something when **we** previously asked.
- **You** provided **us** with inaccurate information when previously asked (regardless of whether or not **you** thought it was accurate at the time).

We'll only change **your** premium during the **policy year**, if:

- **We** find out new information about **your horse** or **your** insured item that affects the premium.
- **You** decide to change **your** cover.
- **Your** address changes and this affects the premium **we** charge.

Any other changes will only be made to **your** policy at renewal.

We can also change the way **we** communicate with **you** if **you've** used inappropriate, aggressive or threatening language against a member of **our** staff. For example, **we** can refuse to speak with **you** over the telephone and only communicate in writing.

The changes **we** can make at the renewal of **your** policy are explained in '*Renewing your policy*' on page 5.

5. Keeping us informed of certain information

Throughout **your** policy **you** need to tell **us** about certain information. The things **you** need to tell **us** about are detailed in **your** Certificate of Insurance and it's important **you** check any new documents **we** send to understand the information **we** need. **You** need to provide **us** with the full and accurate information, if not it can result in a claim not being paid or affect the cover **we** provide.

6. Providing information

You agree:

- That any **vet** or professional who **you've** consulted with about **your horse** has **your** permission to give **us** any information **we** ask for about him/her.

If a charge is made for this, **you** must pay the charge.

7. If you're a member of veterinary staff

If **you're** a **vet** or a registered veterinary nurse, **you** can treat **your** own horse but if **you** want to claim, **you'll** need to provide the relevant clinical notes to evidence the **veterinary treatment** provided and another **vet** or registered veterinary nurse must countersign the claim form.

8. Other insurances

We won't make any payment for any claim that results from an incident covered by any other insurance. If there's any other insurance under which **you're** entitled to make a claim **you** must report the incident to that insurance company and tell **us** their name and address and **your** policy and claim number with them.

9. Legal rights against another person

If **you** have any legal rights against another person in relation to **your** claim, **we** can take legal action against them, in **your** name, at **our** expense. **You** must give **us** all the help **you** can and provide any documents related to the claim that **we** ask for.

10. Horses on loan

If **your horse's** on loan to **you**, **you** may wish to let the owner of the horse know:

- The cover that's in place.
- Claims for **your horse's** value will be paid directly to **you** and not the horse's legal owner,
- When **you** claim **we** may ask for a copy of **your horse's** **veterinary history** while he/she was with their legal owner.

- The laws of England and Wales apply to this insurance contract.
- Unless **we** agree otherwise the language of the policy and all communications relating to it will be in English.

5. All sections of your policy don't cover any amount caused by or resulting from the pressure waves of an aircraft, spacecraft or anything else travelling at sonic or supersonic speed.

Fraud

Fraud increases **your** premium and the premiums of all policyholders.

If **you**:

- Provide **us** with false information,
- Make a false or exaggerated claim with **us**, or
- Make any claim with **us** that involves **your** dishonesty,

We won't pay **your** claim and **we** can void **your** policy and inform the relevant authorities/other organisations and record the details on anti-fraud databases. If **we** pay a claim and subsequently find the claim was fraudulent, **you** must repay **us** the full amount.

'Void **your** policy' means **we**'ll cancel **your** policy from the date the fraud occurred. If **we** take this action **you** must repay **us** any claim payments that were made from the date the fraud occurred; this is regardless of whether or not all of the claims were fraudulent. If any other insurer asks if **you**'ve had a policy void, **you** need to tell them that **your** policy with **us** was void. If **you** don't, this can invalidate any insurance policy **you** hold with any insurer who asks.

Cancelling your policy

When you can cancel your policy

You can cancel **your** policy at any time, free of charge, by contacting **us** on the details found in the section titled 'How to contact us' at the end of this booklet:

- If **you** cancel in the first 14 days of **your** cover starting, **we**'ll refund all of the premium **you**'ve paid.
- If **you** cancel in the first 14 days after **your** renewal date, **we**'ll refund any amount **you**'ve paid for cover after that renewal date.
- If **you** cancel at any other time, **we**'ll refund any amount **you**'ve paid for cover after the cancellation date.

When we can cancel your policy

We can cancel **your** policy if:

- **You**'ve been dishonest or fraudulent in any dealings with **us**,
- **You**'ve used inappropriate, aggressive or threatening language against a member of **our** staff,
- A **vet** or a welfare organisation informs **us** that **you**'ve been negligent towards **your** horse.

We'll give **you** notice in writing to the address on **your** Certificate of Insurance and refund any amount **you**'ve paid for cover after the date **we** received the information that led to **our** decision to cancel.

We can also cancel **your** policy if **you** don't make payments when due. For details on this please read point 3 in the 'General conditions' section.

Cover following cancellation of a policy or removal of a section

If a section of cover is removed from **your** policy all cover in that section stops on the date the section is removed.

If **your** policy is cancelled or comes to an end for any reason, all cover will stop on the date the policy is cancelled/ends and no further claims will be paid. If **you** want **us** to continue to cover an **injury** up to the limits on **your** policy, **you** must keep the cover in force and continue to make **your** payments during this time.

The only exception to this is **your** cover for *Personal liability* and *Personal accident* (if **you**'ve chosen this cover). **We**'ll continue to pay up to the **maximum benefit** for the accident/incident that happened while this cover was in place. It's important to read 'Keeping your policy running after the incident that has led to a claim' on page 21 and 'Keeping your policy running after the accident that has led to a claim' on page 24 or further information.

Making a complaint

Our aim is to get it right, first time every time. If **you** have a complaint **we**'ll try to resolve it straight away. If **we**'re unable to, **we**'ll confirm **we**'ve received **your** complaint within five working days and do **our** best to resolve the problem within four weeks. If **we** can't **we**'ll let **you** know when an answer may be expected. If **we** haven't resolved the situation within eight weeks **we**'ll issue **you** with information about the Financial Ombudsman Service (FOS) which offers a free, independent complaint resolution service.
